

Pick Up and Delivery Policy

We offer pick-up and delivery of propellers within a 250 mile radius of the Seneca County Airport in Tiffin, Ohio. The cost for this service is \$0.35 per mile and this charge applies to the complete overhaul of controllable propellers.

A pick up/delivery fee will be charged at the rate of \$0.60 per mile for:

- A) any controllable propeller overhaul beyond the 250 mile radius of Tiffin, Ohio (first 250 miles are \$0.35 per mile)
- B) any propeller within the 250 mile radius that is not a controllable propeller overhaul

If your controllable propeller is picked up for overhaul and you decide not to have the overhaul completed after disassembly and inspection, you will be charged \$0.60 per mile for the pick-up. In addition, you will also be charged 30% of the base overhaul labor cost for the disassembly and inspection. These charges may be waived if you choose to purchase your replacement propeller from Tiffin Aire, Inc.

Warranty work is excluded from this policy.

I/we have hereby read and fully understand the terms of this policy and agree to comply with them. I/we also agree to provide payment for said propeller work to Tiffin Aire, Inc. within 20 days from date of invoice issue.
